Museum News

Jamesville Community Museum July 2018

From the President:

Dear Friends,

On Monday, June 18, 2018 The Jamesville Community Museum held its annual meeting. I am honored to serve as President for the 2018-2019 year. I would like to thank all current officers, trustees and committee chairpersons for committing to another year of service.

The redesign of the museum front entrance is the next project for your museum trustees. Trustee and Landscape Architect, Gordon Hyatt, has created a very attractive and cost effective design. A calendar for this project will be created at a future board meeting.

Congratulations to Jamesville Boy Scout Haberle Conlon who has recently completed his Eagle Scout Project. This project involved the discovery, acquisition, transportation, and installation of a safety monument at Avery Park, adjacent to the museum. The monument was previously located at the Alpha Portland Cement Factory. Haberle received the permission of the DeWitt Town Board to use the Avery Park location. Several local businesses donated their time, talent and equipment to move and install the monument. Your museum was pleased to be one of Haberle's sponsors. We will assist Haberle with a rededication ceremony to be held later this summer. We hope to see many former Alpha Portland Cement employees and family members at the ceremony. A specific date and time will be announced in the near future.

Robert T. Catney, President

Jamesville Community Museum Third Annual Armed Forces Appreciation Day

Our 3rd Annual Armed Forces Appreciation Day was held this year in conjunction with the Jamesville Memorial Day Parade on May 26th. Located at the old Jamesville Fire Department building, attendance was steady throughout the day. Many took the time to appreciate Bob Good's display of military memorabilia. Bob has continued to collect items of interest that take us back in history through some difficult times. Also on duty was a Civil War soldier, in uniform, that closely resembled Greg Titus. Food was supplied by the Jamesville Fire Department. Members worked grilling up hot dogs while handing out beverages for those that attended.

Many thanks to all who assisted in the set-up and tear down of the display and especially Bob Good. Without his extensive collection, this event would not be possible. Also kudos to the Jamesville Fire Department for their help and hospitality.

Plans are already in process for next year's event.
