Museum News

Jamesville Community Museum November 2022

From the President:

I am pleased to inform you that the Jamesville Chamber of Commerce will once again be hosting "Light Up Jamesville" to begin the holiday season. This year's event will take place on Saturday, December 3rd. The new location will be at the former Jamesville Fire Department (next door to the museum) and at our museum. Be sure to check the local sign board for specifics as we get closer to the date.

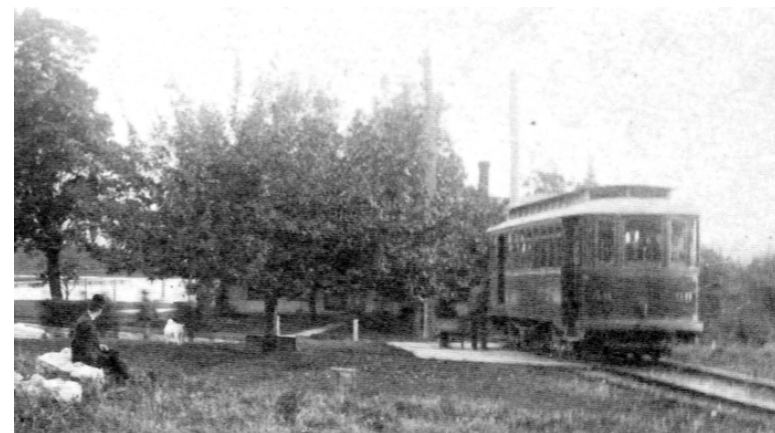

The Jamesville Community Museum will host an open house as part of the holiday festivities. We will be open from 5:30-6:30 pm on December 3rd with our annual quilt raffle drawing at 6:30pm.

In other news, I am pleased to announce the following:

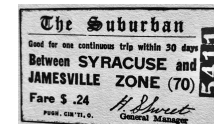

- A new exhibit featuring memorabilia and photos of students from the former Jamesville High School. *Do you have items to share for this exhibit? We can copy or take photos of your memorabilia or take them on temporary loan, if you would like. Contact us at jamesvillecommunitymuseum@gmail.com.*
- Your museum recently acquired a storage building. (See inside) It is located behind the museum. This additional storage will allow for greater flexibility in creating displays. Thanks to Greg Titus and Marv Bodley for matching the color and the roof to the museum.
- Work continues on the restoration of the Jamesville Trolley Barn. (see picture below) Roof reconstruction is almost complete. Thank you to Kurt Hill, Jack Conlon and Greg Titus for all of their hard work on this project.

Just a reminder to send in your raffle tickets for this year's quilt raffle. This year's quilt (see inside) is a gorgeous queen size, basket/scrap design with beautiful colors. Don't forget, you have to be in it, to win it!

Yours truly,
 Robert T. Catney, President

JAMESVILLE UNION SCHOOL

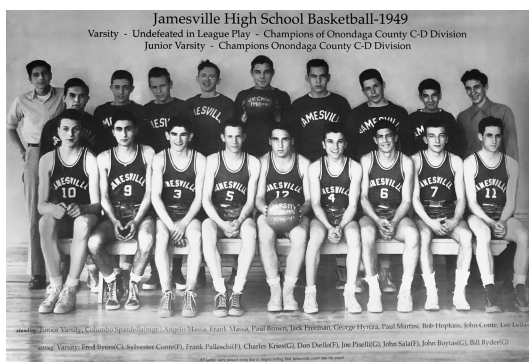

New Exhibit: Sports in the Jamesville Union School

Our newest exhibit spotlights team photos and memorabilia from Jamesville High School. Curator Greg Titus gathered photos of girls' and boys' basketball, baseball, football, and cheerleading teams, stretching from the 1920's through the 1940's. On loan are some varsity letters, pins and cheerleader megaphones. Jamesville High School played teams from Fayetteville, Manlius, North Syracuse, Tully, Minoa, Lafayette, among others.

Though the high school was built in 1894, the combined auditorium-gymnasium was not added until 1922. The building closed in 1954. Stop in to see the team photos, and maybe you'll recognize some Jamesville family names, or perhaps even someone from your family. *Do you have a Jamesville High School story to share? We'd love to hear from you!*

Light Up Jamesville is back for its 25th year!

Join us Saturday, December 3, 2022 from 5:30-7:00 pm for our long missed Light Up Jamesville. The Jamesville Community Museum will be working with the Jamesville Chamber and Jamesville Fire Department to provide the hamlet with this fun event to kick off the holidays!

Santa will be on hand for pictures. There will be crafts to create and some goodies to enjoy. And of course, there will also be a raffle and the tree lighting at 7:00 pm.

More details to come, but for now save the date!

Our new trustee, Nancy Haswell, holds one end of this year's quilt raffle grand prize. The queen-sized quilt has a traditional basket block design on a patterned yellow background, deep red border and dark greens and reds throughout. The quilt is on display at the Jamesville M&T Bank. Buy tickets there: \$1 each, \$5 for six, and \$10 for 13. The annual quilt raffle is our only fund raiser, and we thank you all for your support!

Look behind your museum and you'll see a new storage building. A sincere thank you to Greg Titus and Marv Bodley for selecting a building that is the correct size and has siding and roofing that matches the museum nicely. This new building will provide much needed storage. This storage space will free up floor space inside the museum, allowing room for new exhibits.
